The Agricultural Societies Council of NSW Rich Fruit Cake Competition.

The following recipe is compulsory for all entrants.

RICH FRUIT CAKE - Here's what you need:

250g (8 oz) Sultanas
250g (8 oz) Chopped raisins
250g (8 oz) Currants
125g (4 oz) Chopped mixed peel
90g (3 oz) Chopped red glace cherries
90g (3 oz) Chopped blanched almonds
1/3 Cup sherry or brandy
250g (8 oz) Plain flour
60g (2 oz) Self raising flour
1/4 teaspoon Grated nutmeg
1/2 teaspoon Ground Ginger
1/2 teaspoon Ground cloves
250g (8 oz) Butter
250g (8 oz) Soft brown sugar
1/2 teaspoon Lemon essence OR finely grated
lemon rind
1/2 teaspoon Almond essence
1/2 teaspoon Vanilla essence
4 Large eggs

**Here's what you do: -**

Mix together all the fruits and nuts and sprinkle with the sherry or brandy. Cover and leave for at least 1 hour, but preferably overnight.

Sift together the flours and spices. Cream together the butter and sugar with the essences. Add the eggs one at a time, beating well after each addition, then alternately add the fruit and flour mixtures. Mix thoroughly. The mixture should be stiff enough to support a wooden spoon.

Place the mixture into a prepared square tin 20 cm (8") and bake in a slow oven for approximately 3¹/₂ - 4 hours. Allow the cake to cool in the tin.

NOTE: To ensure uniformity and depending upon the size it is suggested the raisins be snipped into 2 or 3 pieces; cherries into 4-6 pieces and almonds crosswise into 3-4 pieces.

Winners at Country Shows will each receive a cash prize of \$25 (in addition to the Prize-money offered by the local Society) and will be required to bake a second "Rich Fruit Cake" in order to compete in a semi-final to be conducted by each of the 14 Groups of the Agricultural Societies Council of NSW.

NOTE: COMPETITORS MAY ONLY REPRESENT ONE SHOW SOCIETY IN A GROUP FINAL AND ONLY ONE GROUP IN A STATE FINAL.

The fourteen winners at Regional Level will each receive a cash prize of \$50 and are required to bake a third "Rich Fruit Cake" for the Final Judging at the Royal Easter Show where the winner will receive cash prize of \$100. The winner of this year's group final will represent the group at next year's Royal Easter Show.

History of Cobargo AP&H Society

On the 16th January 1886 a meeting was held at Cobargo to form the first Cobargo Agricultural Society. Mr WD Tarlinton chaired the meeting. The site chosen for the showground is where the Showground is still situated. It is believed to be where Mr Tarlinton first camped when he came to the Cobargo area some 60 years previously.

Over the next few years, a formal committee was elected. The land chosen was heavily timbered and uneven but within 9 months the area was cleared as needed. Ground works included erection of a small pavilion, a showing ring, 30 cattle pens, 8 pig pens, milking yards and 2 milking bails.

The first agricultural Show conducted by the Cobargo AP&H Society was held on 27th and 28th March 1889. The population of Cobargo at the time was only 197, including children. There were more than 1300 entries and over 1000 people from the surrounding areas attended each day. A concert and ball were held at the Cobargo School of Arts on each night of the show. The Show was a huge success and has been for the last 135 years.

Initially the show was held on weekdays with one of the days designated a public holiday for Cobargo. Since 1953 it was held on Friday and Saturday, then in 2013 it was changed to Saturday and Sunday. Our next show in 2024 will be a three-day show. The 100th Cobargo Show was celebrated in 1996. A souvenir Anniversary Program featuring a summary of the history of the Cobargo AP & H Society and some early show photographs was prepared by Mr Ray Sawtell.

Many of the early Show Society members have descendants in the current committee. Names such as Tarlinton, Salway, Cole, Sawtell and Allen are prominent throughout its history.

Women were given membership to the Show Society in 1914, and the first woman to be on the Show Society Committee was in 1924. Women have played integral roles since. 1916 saw the first cars appearing at the show and in 1930 an admission charge was made for them.

Until 2019 only nine shows had been cancelled due to the impacts of drought, war, fire or flood. The 2020 Cobargo Show was cancelled due to the catastrophic impact of the Black Summer fires of 31st December 2019. For many months the show grounds were used as a refuge and relief centre for Cobargo and surrounding districts. As the COVID-19 pandemic of 2020/21 created uncertainty and gatherings of large numbers of people were forbidden, the 2021 show was cancelled.

As the community began its recovery, members of the Show Society used the time to plan for the future. Over the last three years significant building works and improvements to the grounds and facilities have been undertaken. New events are included in the program.

The Pavilion area has been expanded to include an office, a modern equipped dining room and extensive veranda. The outside seating areas have been expanded, some now under cover. The cattle yards have been improved and made safer, with cooling water facilities for stock. There has been significant landscaping works to enhance movement of people and stock and to provide for camping and car parking. The showground now has internet capability and a new sound system. All this has required considerable input from local tradespeople and Show Society members.

Cobargo Show Pavilion 2022

The annual Cobargo Show has been a significant event in the lives of many people living in the Cobargo and surrounding areas since its inception. It presents and demonstrates the quality and expertise of our local product and skills. While some parts of the exhibition and entertainment programs have changed to reflect social change, the Cobargo Show holds on to the values of a genuine rural agricultural show. The Show Society is committed to providing a safe, meaningful, modern and fun show for public enjoyment.

The age of such person shall be taken as the age on the first day of the show.
22. Any person eighteen years of age or over who is awarded prize money of over \$50 in total shall be required to provide the Society with an Australian Business Number (ABN) or else shall be required to complete a *Statement by a supplier* form, otherwise 48.5% of such prize money shall be deducted and remitted to the Australian Taxation Office.
23. Any prizes, prize money, prize certificates and ribbons which remain uncollected by or on behalf of an exhibitor within one month of the end of the show shall be forfeited.

PAVILION

24. Any person wishing to enter an exhibit into one or other section of the pavilion schedule shall fill out an entry form, including the accompanying *Competitor/Exhibitor Release*, which form shall be delivered to the Secretary of the Society by 5pm on the day before the first day of the show, or by such other time as may be specified for any particular section of the schedule. A copy of the entry form and an exhibit ticket shall then be given to the exhibitor, which exhibit ticket shall be attached to the exhibit before the delivery thereof to the pavilion.
25. Exhibits shall be delivered to the pavilion by 11.00 AM on the first day of the show or at such other time as may be specified for any particular section of the schedule.
26. The Society shall appoint stewards to assist with the presentation of the exhibits for judging and their subsequent displaying and to ensure as far as possible their security, but the Society shall not incur any liability for damage to or loss of exhibits however occasioned on such account.
27. The Society reserves the right to reclassify or reject any exhibit which is deemed not to be in accordance with the class nominated by the exhibitor or which is deemed to be diseased or of a hazardous or offensive nature or to be a noxious weed.
28. All exhibits shall be the *bona fide* work of the exhibitor whose name appears on the entry form.
29. No person with the exception of a judge, a steward or the Secretary or a member of the committee of the Society or a person authorised in writing by the Secretary shall enter the pavilion while the judging of the exhibits is in progress.
30. A judge may decline to award any prize of whatever sort, if he or she considers any or all exhibits in a particular class of any section not to be of sufficient standard. A judge may recommend for a special award or prize any exhibit which he or she considers worthy thereof.
31. No exhibit shall be removed from the pavilion before 3:30pm on the last day of the show.
32. Exhibitors or their nominees may, after the closing of the pavilion at 3pm on the last day of the show, enter the pavilion in an orderly manner to collect their exhibits, which they shall be entitled to remove only after showing a steward the duplicate copy of the entry form for the exhibit. Any exhibit not collected within twenty-four hours of the end of the show will be disposed of at the discretion of the Society.

CATTLE, HORSES, OTHER LIVESTOCK, & RING EVENTS

33. All persons exhibiting or competing or in any way taking part in any such events shall obey the conditions pertaining to such events as appearing in the respective schedules and programs.

SIDESHOWS AND INDUSTRIAL AND COMMERCIAL DISPLAYS AND EXHIBITIONS

34. Space on the showground may be rented to any person natural or otherwise on the basis of frontage at a rate determined by the Society.
35. The Society reserves the right to refuse any application by any such person for such space without giving any reason.
36. The Society reserves the right to allocate such space, but may delegate this right to a body approved by the Society.
37. All rent for such space shall have been paid in full by such person as evidenced by a receipt before such person shall be allowed to enter the showground.

In these By-laws and Regulations, "section" means any of the sections identified by letters A to R of the show schedule, and "event" means any of the events, whether competitive or otherwise, conducted in the ring or elsewhere as part of the show.

**The Society does not accept any responsibility for any printing errors occurring in this Schedule.
This is the second print.**
