The Agricultural Societies Council of NSW Rich Fruit Cake Competition.

The following recipe is compulsory for all entrants.

RICH FRUIT CAKE - Here's what you need:

250g (8 oz) Sultanas
250g (8 oz) Chopped raisins
250g (8 oz) Currants
125g (4 oz) Chopped mixed peel
90g (3 oz) Chopped red glace cherries
90g (3 oz) Chopped blanched almonds
1/3 Cup sherry or brandy
250g (8 oz) Plain flour
60g (2 oz) Self raising flour
1/4 teaspoon Grated nutmeg
1/2 teaspoon Ground Ginger
1/2 teaspoon Ground cloves
250g (8 oz) Butter
250g (8 oz) Soft brown sugar
1/2 teaspoon Lemon essence OR finely grated
lemon rind
1/2 teaspoon Almond essence
1/2 teaspoon Vanilla essence
4 Large eggs

**Here's what you do: -**

Mix together all the fruits and nuts and sprinkle with the sherry or brandy. Cover and leave for at least 1 hour, but preferably overnight.

Sift together the flours and spices. Cream together the butter and sugar with the essences. Add the eggs one at a time, beating well after each addition, then alternately add the fruit and flour mixtures. Mix thoroughly. The mixture should be stiff enough to support a wooden spoon.

Place the mixture into a prepared square tin 20 cm (8") and bake in a slow oven for approximately $3\frac{1}{2}$ - 4 hours. Allow the cake to cool in the tin.

NOTE: To ensure uniformity and depending upon the size it is suggested the raisins be snipped into 2 or 3 pieces; cherries into 4-6 pieces and almonds crosswise into 3-4 pieces.

Winners at Country Shows will each receive a cash prize of \$25 (in addition to the Prize-money offered by the local Society) and will be required to bake a second "Rich Fruit Cake" in order to compete in a semi-final to be conducted by each of the 14 Groups of the Agricultural Societies Council of NSW.

NOTE: COMPETITORS MAY ONLY REPRESENT ONE SHOW SOCIETY IN A GROUP FINAL AND ONLY ONE GROUP IN A STATE FINAL.

The fourteen winners at Regional Level will each receive a cash prize of \$50 and are required to bake a third "Rich Fruit Cake" for the Final Judging at the Royal Easter Show where the winner will receive cash prize of \$100. The winner of this year's group final will represent the group at next year's Royal Easter Show.

Cobargo AP & H Society – Snippets of history

HAVE YOU LOOKED ABOVE THE BAR AREA RECENTLY?

Each year, the Committee of the Cobargo AP&H Society strives to introduce something fresh for the community, while honouring the rich history and cherished traditions of our Show. In 2023, the focus turned to the district's iconic stock brands. Members searched through their sheds, uncovering old branding irons that had marked generations of local livestock. Embracing tradition, a fire pit was lit, and the irons were heated—just as it was done in days gone by. The distinctive symbols were then burned onto timber, creating a lasting tribute.

These brands are more than just marks; they represent the enduring legacy of longstanding families who have shaped the Show movement and the history of Cobargo itself.

So, you may ask, what's so great about a "STOCK BRAND"?

Well, heaps is our answer. They were not only a way of identifying an animal from ownership to sale or for breeding but also to track stock and disease. They document

HISTORY: The brand was often based on something of significance to the family or the property from which it came. It could have been an initial or a landform or some other special symbol.

HERITAGE: It identified the property on which the stock were bred or grown up. The Government registers hold these names.

BREEDING: If a family had several properties, then each property may have had a brand that was a variation of the original brand. Eg a large letter versus a smaller one, or a letter with a variation or addition to the symbol. The brand and documentation of the animal's pedigree could be used to ensure healthy breeding patterns.

SAFETY: They provided a way to track theft, lost animals, stock movement and disease by way of registration and sales records.

The brands had to be registered in the appropriate Government agency and Gazettes were published and updated regularly. There was a format for the symbols, and they had to be placed in specific areas dependant upon the type of animal.

For some local dairy cattle, it was on the animal's upper left hip and for beef cattle the lower left hip. There were several sites for horses with many on the upper right shoulder above the saddle area. Horse symbols represent birth year and initials of the breeder/owner. Generally hot iron branding of stock ceased in this area over 30 years ago with the advent of freeze or cryo-branding and animal welfare concerns. But now the use of ear tags and electronic identification systems allow for easier stock tracing. The National Livestock Identification System (NLIS) ensures market access, traceability, food safety and biosecurity.

So, when you look above the bar, maybe spend a little time reflecting on those symbols.

What's the story behind that brand? Where was the property? Who were the families? How do they fit into our story?

And lastly, have a thought about the care that's been given over the generations to ensure the wellbeing, safety, breeding and quality of the stock consistently presented for your enjoyment at our Cobargo Show.

(Bev Holland, Committee member, Cobargo AP&H Society)

1. These By-laws and Regulations apply to the Cobargo Agricultural, Pastoral and Horticultural Society Incorporated, known also as the Cobargo AP&H Society or the Cobargo Show Society, and in these By-laws and Regulations referred to as the "Society", which was incorporated in New South Wales on 3 September 1986 under the Associations Incorporation Act 1984 with the incorporation number Y0113519.
